WINTER WARMTH TREE

Dear Parents, Students, and Staff,

The Student Council, in the spirit of the Holiday Season, would like to invite our school family to join together to help families in need. We are asking for your contributions in making these winter months a little warmer for them. We would like to do our part by collecting ***new hats, gloves, mittens, scarves, and socks*** for children of all ages. From ***December 1st through the 5th***, we will be collecting these items for our “Winter Warmth Tree,” which will be displayed in our foyer. Items for children of all ages and sizes are welcome. Any donations will be kindly appreciated. It is our hope that our decorated “Winter Warmth Tree” will again be one of the many examples of School #5’s caring for others.
