## Renaissance Program

Renaissance is a program designed to recognize, reward, and motivate our students who excel in three specific areas of achievement; Academics, Attendance, and Behavior. The members of the Renaissance Program will be extended privileges associated with the various levels of excellence. Our goal is to make each student believe they can succeed in school and therefore in life. The purpose is to recognize and reward those students who achieve specific standards of excellence with tangible incentives and rewards. Renaissance is a partnership between the students, staff, parents, administration, business community, and community at large. Renaissance is a commitment to make Winslow Township School No. 5 a center of academic excellence.

# Winslow Township School No. 5 Renaissance Program

I have read the requirements and benefits/privileges of each card status of the School 5's Renaissance Program. I understand that if my child achieves Renaissance status, this membership can be revoked for not following the requirements during the time in which they hold a card. I also understand that if my child loses their card, a one time replacement card will be issued. Students should have their card at all times and must have their card in order to attend any Renaissance Happening. Lanyards and card protectors will be provided for the first time making Renaissance. If lost or damaged, students will be able to purchase at the School Store.
